3RD ANNUAL SUNFLOWER EXPERIENCE OFFERS THE LARGEST PICK-YOUR-OWN SUNFLOWER PATCH NORTH OF TORONTO AT ROUNDS RANCH!

Wasaga Beach, ON – (Aug 2021) Sunflowers are a happy sight, and always bring a smile to everyone's face! Rounds Ranch, will be hosting their 3rd annual Sunflower Experience, beginning July 31st and will continue until mid September (or while the flowers keep blooming).

Guests can enjoy a wagon ride out to the Sunflower Field to take stunning photos surrounded by a variety of gorgeous sunflowers. Picture this – 9 acres (that's approximately 9 football fields!) of 44 different varieties of sunflowers including an area of colourful flowers (cosmos, zinnias and asters). Unique props throughout the field provide amazing photo backdrops. Platforms strategically placed among the sunflowers offer an excellent view of the entire field of beauty. No longer limited to a single yellow blossom, guests walk on pathways among fire orange starbursts, dark crimson reds, lemon yellows, 12 ft tall Kong and short "Teddy Bear" puff ball shaped flowers. The variety and colors create a huge contrast and are very pleasing to the eye. "It's an Instagrammers dream" says Geri Rounds, owner of Rounds Ranch.

Each guest can pick their favourite sunflower to take home. Snippers, bags and water are provided in the field tent. Guests also have the option of pre-purchasing a decorative bucket to fill with sunflowers and cut flowers.

Included in the admissions price is fun in Ranchland with over 25 activities for families of all ages to enjoy.

"We are very excited to add 6 new activities in 2021 including the 500 foot Slip'n'Slide" says Wendy Nolan, Director of Fun at Rounds Ranch.

All our activities are outside, and we are practicing social distancing and regular sanitizing, so guests can enjoy their day and take advantage of this awesome experience. Masks will be required on the wagon ride if sitting within 2 m of a non family member (one horse length) and socks are required to be worn on the jumping pillows.

The Ranch is open every Tuesday thru Saturday from 10am to 5pm. Limited tickets will be sold each hour so guests are required to purchase their tickets online. We encourage a 3-hour time limit at the Ranch to allow more guests to enjoy the Ranch.
